3.	In mid-May, a resident stated that troops were stationed in the woods southeast and southwest of Heldburg (M 51/0 19), particularly in the area of Rieth-Eellingen. There was heavy traffic of motor 25X1C vehicles proceeding in the direction of Hildburghausen, north of Heldburg, with motor vehicles seen during the night of 15 May. These woods were placed out limits to all residents and foresters. The area was guarded by Volkspolizei.
